

FISCAL NOTE

HJR 498

March 13, 2000

SUMMARY OF BILL: Urges the Tennessee Wildlife Resources Agency to study the programs involving wildlife management areas, wildlife refuges, public hunting areas and land-leases to assure that the needs of the hunting public are being served at a reasonable cost.

Urges the Tennessee Wildlife Resources Commission to set a budget for the two major commercial programs: commercial fishing and commercial musseling, designed to assure that Agency spending amounts to no more than the monies generated through statutory license and permit fees and other changes.

ESTIMATED FISCAL IMPACT:

MINIMAL

The resolution urges but does not mandate that the Tennessee Wildlife Resources Agency conduct such a study or establish budgets for commercial fishing and musseling programs that spend no more than revenues generated from such programs.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
